## **Rallye d'Algérie 2018, a rally for everyone**

Official and private teams, established and rookie drivers: the *Rallye d'Algérie* allows all participants to compete in the Algerian desert from the 25<sup>th</sup> to the 31<sup>st</sup> of March 2018. Professionals, amateurs or first-time enthusiasts in all categories (motorcycles, quads, SSVs, cars and trucks), will be able to compete against each other on the road by day and re-live and share their motor experiences every night under the common tent at the large bivouac where the highlights of the day will be projected on a big screen.

The route of the *Rallye d'Algérie* has been defined: all the wonders of the Algerian *Grand Erg Occidental* await you! Dunes, plateaus, fast tracks, technical stretches, lakes...you will be pleasantly surprised by the landscapes that Algeria can offer! Exactly why the first Dakar races passed through this area!!

The Arak Sport team, with fifteen years of World Championship experience and a passion for the boundless desert, is organizing a completely new second edition of the *Rallye d'Algérie*!
